i2i Mobile Marketing has over 25 years experience in motorsports and over 15 years experience in mobile marketing and hospitality. Including motorsports marketing and management skills requiring coordinating on site logistics for over 200 shows, events, and races each year with multiple mobile marketing display and hospitality teams. We are very proud of our portfolio of clients that we have provided services for over the past five years.

Background with extensive experience in the areas of creative concepts, strategic planning, budget development, show scheduling, exhibit/display space selection procurement, event staffing, graphic design, tour logistics, catering coordinating, theme design, program management and reporting.

From creative ideas to exceptional flawless execution, we have the dedicated, passionate, experienced staff to provide the mobile marketing or hospitality services to support your event.

We firmly believe “A great experience turns customers into loyal customers.” We are ready to take the challenge of your Behind the Scenes Marketing Partner.
